

For immediate release: November 16, 2009

The North East Association of Four Wheel Drive Clubs Has partnered with Murphy's Law Motorsports for the 2010 Competition season. The mission statement of the NEA4WDC is to protect and promote environmentally responsible Off-Highway Vehicle recreation, while maintaining a harmonious relationship between OHV enthusiasts and landowners. To support and educate Local, State and National agencies in the preservation of OHV recreation. Owner Lucas Murphy said, 'We are honored to represent the NEA4WDC this coming season. The association and its dedicated members are what make wheeling in the Northeast happen'. Owner Lucas Murphy and Co driver Jon Hastie have been members of clubs in the NEA4WDC since 2005 and are currently a member of both Summit Crawlers and New England Four Wheelers inc. Though right now Murphy's Law Motorsports is on the receiving end of the partnership, over the past season Murphy's Law Motorsports was able to take a portion of purse earnings and donate it to the NEA4WDC as well as use the connections and relationships developed in the course of competing to assist the NEA4WDC in their mission. An Inner Airlock gift certificate was solicited by Murphy's Law Motorsports for submission for the Fall Crawl Raffle, a major source of the NEA4WDC's yearly income.
